- **Literature**

Hello,

Everything is going well. I have nothing to report.

Thank you for letting me be of service.

Jan S.

- **Schedules**

Hi everyone- Jeff here (the schedule coordinator), I just got done meeting with Gabor and we got the schedule updated. Everything is going smooth. Looking forward to seeing everybody on Wednesday night.

- **Treasurer's Report**

Hi All,

Attached to the agenda you will find the 2016-2017 YTD Profit to Loss Actuals statement as well as the 2017-2018 Proposed Budget.

Also, we had an adjustment to the H&I literature expense for March. The previous month's invoice was sent by accident, so we had to go back and get the correct invoice. The original check was voided and a new check was drafted at Admin. Leslie delivered the payment to Region.

Best,

Lisa C.

- **Web Servant**

Hi Everyone,

This month I worked with Jeff on updating the schedule with the new meetings, making the corrections for the groups which need support and finally we sent a softcopy to the printer.

Just a quick reminder, if you have an upcoming event, please make sure to send us a softcopy for approval.

A pleasure to being in service,

Gabor

### **Vice Chair Report**

Hello all,

I checked on the storage unit and the yearly rent is due in May. I will be making the payment this month so we are not late. Which will give us 1 month free. This will probably be my last report as I will stepping down next month. This is due to my new position at work.

Thank you for letting me be of service.

Leonard

- **Outreach**

Hello Family

This month we discussed dates for our next two workshops. We feel that June or July will be when the next workshop will be. Our workshop coordinator is working on the theme still. We also discussed other ways we outreach can help meetings that are hurting for support. Please if you or your meetings have any suggestions email outreach at [outreach.sacfna@gmail.com](mailto:outreach.sacfna@gmail.com). There seemed to be some confusion of the capture the flag rules please below for an refresher on the rules.

The Twelve Functions of Capturing the Banner

1. Only groups registered as being members of the Sacramento Fellowship of Narcotics Anonymous Area may participate.
2. In order for a group to Capture/Pass the Banner, at least 5 members of that Home group must attend the regularly scheduled meeting of the group that currently has possession of the Banner.  
\*\*Note: Any group that has the banner in their possession may give it to a group that does not have 5 home group members. Remember: the banner is not about prestige. It's about NA unity in the Sacramento Fellowship Area-one home group supporting another home group
3. The banner cannot be captured/passed until the meeting is over. It is recommended that the capture take place after the closing. At no time should the capture of the banner interrupt the primary purpose of Narcotics Anonymous meetings. All 5 home group members must be in the meeting from the opening prayer to the closing prayer.
4. If more than one Home group attends the meeting and wants to capture the banner the final determining factor will be the farthest distance travelled from their home group to the capture group.
5. When a home group captures/passes the banner from another group, the capture/pass must be reported to the Capture the Banner coordinator via email or phone in order that they may update web on that same day.
6. Once captured/passed, the Banner must be present and displayed at all of the regularly scheduled meetings until it is captured by another group. If a home group that has captured the banner fails to display the banner, then it is forfeited back to Outreach.
7. At no time should a capture be refused as long as the above-noted conditions are met.
8. In order to find out which group currently has possession of the banner, members can check the status on the web or call the Banner Coordinator
9. The Home Group that has possession of the banner during NCCNA must send a member with the banner to the convention for display at the Saturday Main Speaker meeting during the Area Roll Call. If no member from that group plans to attend NCCNA, the banner must be relinquished temporarily to the Sacramento Fellowship Area Outreach Task Group.
10. Every Banner Capture/Pass will be noted and recorded by the Outreach Task Group to count towards the annual Pass totals. Points are only accrued through PASSING the Banner, not the capture. An EXTRA point is earned by passing the Banner to those meetings that are recorded at area as needing support. You may call or email the Outreach Task Leader for assistance in finding those needing support.
11. The banner cannot be captured at a function; it must be captured at a regularly scheduled meeting.
12. All disputes will be settled by the Outreach Task Group as necessary.  
\*\* Note: At the end of the year, the group with the most recorded points will be duly recorded on the Banner and they will retain bragging rights for the next year!

- **Volunteer Task Leader**

I forwarded to the Outreach and H&I Task Leaders names of trusted servants from our database so they can reach out to them about volunteering.

Please announce at **every** meeting you attend about our Volunteer Pool Forms to make sure they are being promoted and handed out. I'm still counting on all of you to help me collect these forms from Newcomers, Sponsors, Sponsees and other Trusted Servants. Please remember we are trying to develop a large database of members who are *or want to be* in service to NA. I have only received two forms from you since the New Year started.

Thank you to all who have been supporting me with this endeavor and I'm confident the rest of the GSR's won't let me down!

Thanks for allowing me to be of service.

Deb W.

## **Admin Assistant Report**

Good evening ALL!

Yours in service,

## **Policy and Procedure Report**

**ASC Trusted Servants:** I attended the SacFNA Admin Team meeting on March 15th. The ASC team members provided their updates and we reviewed the budget for presentation to the GSRs.

### **Registering Groups on NAWS:**

During roll call, we will be taking a poll to see which meetings are registered with Narcotics Anonymous World Services (NAWS) at [www.naws.org](http://www.naws.org). Registering your group on NAWS allows addicts to find your group using the NA Meeting Search application. Groups that are registered with NAWS can also be found by people who use the meeting search function on the NAWS website (at <http://www.naws.org/meetingsearch/>) and people using the NA Meeting Search app (free on iTunes or Google play).

The **NA Meeting Search** app version 2.0 is now available for your smartphone or tablet.

Note: NA World Services lists online meetings as a service. This listing does not mean that online meetings are considered NA groups or a part of the NA Service Structure. All SacFNA meetings must be listed on the schedule and represented at the SacFNA Area according to our guidelines to be considered SacFNA groups and part of the NA Service Structure.

## Attention NA Groups

It is suggested that new groups register on NAWS. For existing groups, if the information you find on the NAWS website is missing or inaccurate, please notify NAWS so that the information for the meeting or group can be corrected.

Instructions for submitting data updates are located on the NAWS web site at [www.naws.org](http://www.naws.org) at [Update NAWS database meeting information](#). Please see Javier from Outreach with any questions about registering your group on NAWS.

Cordially, Nina P.

### • Phonline Report

First of all I would like to apologize for not turning in my report last month. There was a Monday holiday and I got my days of the week mixed up. When I realized that my report was due, it was too late to send it in. I have included both the February and March statistics in this report.

There were 55 calls to the helpline from February 1<sup>st</sup> to February 28<sup>th</sup>, and there were 31 calls to the helpline from March 1<sup>st</sup> to March 28<sup>th</sup>. All calls were forwarded to a volunteer, there were no abandoned calls reported by the machine. There were three messages left on the system in February. Two of the messages were hang ups, one message was from an addict looking for a meeting. I was able to call that addict back and help guide her to a meeting. There were no messages left on the system in March. The machine also reported 3 missed calls in February and no missed calls in March. The machine does categorize a call as missed when the caller chooses the option to listen to the recordings rather than have their call transferred to a live person. Therefore the missed calls may be people listening to the meeting recordings.

### • H & I Report

Good Evening my fellow members,

Our Co-Task Leader, Phil O. will attend the Admin Meeting April 19<sup>th</sup> as our Group Representative. He will also be leading the Monthly H&I Meeting on April 17<sup>th</sup>. I will be out of town on a Family Vacation. Thank you Phil.

The *Books for Crooks Event* was March 4<sup>th</sup> 2017, and we will be contributing the funds tonight made at this event. I will also be asking for a variance for the rent of the facility used for the Books for Crooks Event. The rent was increase to \$200 because the church requires \$100 for use of the kitchen. They said we left some silverware in the sink and which we were unaware. They notified us the after the Event that we would need to pay the addition \$100. I will make that Proposal tonight so we can get them a check. We will not argue the point and in good faith would like to pay the

additional funds requested. Here is the current Budget and our expenses and our contributions from our members.

**We still have 6 shirts left over and if anyone want to purchase one, let me know. They are \$20.**

We still have three new places that are looking to start up new H&I Meetings at their facilities. They are as follows:

- **Woodland Promise House 15450 County Rd 99, Woodland, CA. 95695**
  - Still looking for a coordinator
- **Bishop Gallegos Maternity Home @ 6423 Lang Ave, Sacramento, CA. 95823,**
  - Working on, looking for a coordinator.
- **The Powers That Be: Sacramento Juvenile on Kieffer RD.**
  - Kevin already has a coordinator who has about 10 yrs. clean time for the Facility.
  - Applications will be available soon.
  - This Facility will require a TB test to enter, approximately 6-8 weeks is the timeline to get approved.
  - Kevin B. met with facility contact. Clearances to enter the facility are pretty lenient, facility is eager to get meetings started,
  - will need to solidify the coordinator- Kevin will train this person to ease the transition, and meetings will be held on Mondays @ 7pm. Task leader suggested another day in order to avoid overlap with H&I business meeting.
- **St Johns Facility will be opening a second Facility and the current Coordinator will be managing both places.**

**H&I still has 4 more Coordinator positions that are looking for replacements.** Those positions are: *RCCC, Main Jail, Sacramento County Mental Health, and Yolo Main Jail.*

Sacramento County Mental Health has been **without a coordinator for the last 6 months.**

**The 4<sup>th</sup> & Hope facility is desperately in need of some help.** The current coordinator has not been able to attend the H&I Monthly meetings in the last three months because she does not have enough volunteers to secretary the Monday 4<sup>th</sup> & Hope Meeting in Woodland.

**Our Coordinator for the RCCC has been in her position for about 11 to 12 years now. Her current family obligations are requiring her to step down and we are in need of a replacement.** We do have one individual who would be willing to step up into that coordinating position but would need someone to take over his current less demanding coordinating position at the Salvation Army.

**Please let me know if you would be interested in hearing more about any of our facilities or volunteering to help these facilities.**

**Be sure to check out the H&I Presentations at the NCCNA Convention.** There will be two well know predecessors will be giving a presentation on the History of NA.

**Our April monthly H&I Meeting will be the 3rd Monday on April 17<sup>th</sup>, in Room 12 at this location.**

#### **FACILITY REPORTS:**

**Regional Rep** Sharing forum mtg is scheduled for next Saturday, will report BFC outcome. NCCNA will utilize Skype for H & I meetings at event, hopefully with improved technology connections with facilities won't be interrupted or lost.

#### **Facility Reports**

- *4th and Hope*- 1DN 3/6/17, still in need of volunteers. I will be conducting the meeting tonight at 4th and Hope so I will not be attending the business meeting. Could you please send me a pic or download via email an order form for literature. I will check tonight while on-site and send in my order to Loretta by 10pm tonight.

## **RCM's Report**

I attended Region in March but had to leave early due to getting sick. My report consists of the minutes that I received from Region.

**RD/RDA Report:** The Environmental Scan is part of their efforts to better have the World Service Conference and their efforts reflect the needs of the fellowship as a whole, as we reported earlier NAWS is reaching out by way of request for input and survey. Perhaps the most important of these for this cycle is upon us – the Environmental Scan. They intend to use this input to help form the next Strategic Plan; in their own words: "...the foundation of our strategic plan comes from an environmental scan. This scan reflects our best efforts to capture trends and issues—both within and outside of the Fellowship—that affect NA. The information about the Fellowship in past scans has come from our interactions at zonal forums and workshops, contact with service committees and members, our participation in professional events, and various other NAWS activities. One of the World Board's responsibilities is to listen closely to the Fellowship and let what we hear and observe impact our planning process. Delegates and others have asked for a way to directly share their perspectives and experiences, and we believe this opportunity for delegates and regions to input the environmental scan is one step in creating this improvement. This is the first time we have tried a forum like this to collaborate with regions in the planning process, so it may be a learning experience for us all. At the next WSC, we can talk together about what we think worked well in this new collaborative approach and what needs to be improved." The scan consists of 17 questions, ranging from NA's relationship with the public, to trends, to struggles and major issues. NAWS is asking for ONE response per region, from the RD/AD team, to summarize for the region.

Just a reminder that NAWS is seeking ideas for the two most highly rated literature projects from the WSC: • A mental health/illness IP • A meditation book Wen pages have been set up for each of these projects, with surveys on them: for the mental health/illness IP, the address is [www.na.org/mhmi](http://www.na.org/mhmi), and for the meditation book it is [www.na.org/meditationbook](http://www.na.org/meditationbook). The deadline for input is 1 June 2017, but they ask for input as early as possible.

- April 13-16, 2017: NCCNA, where we will be presenting the workshop "An Atmosphere of Recovery in Service".

**NCCNA XXXIX Recovery = Miracles April 13-16, 2017,** We are still seeing the Registration do amazing this year thanks to the Combo Pack. The last numbers we have are showing around 700 pre-registrations from the end of February compared to 399 at the same time last year. Thank you to everyone who is getting the word out to pre-register. Our hotel room block has been filled and we have actively been seeking additional rooms. The Hyatt Regency is completely booked, the Sheraton Grand has limited availability and we have added 2 limited availability blocks at the Holiday Inn Express and Marriott Residence Inn. The information will be on the Website and an email blast will be coming to share this information. There was a flyer that was distributed around several areas regarding the H&I/PR meetings at NCCNA. If you see these flyers, please remove them from your groups. These flyers did not go through the NCCNA approval process before being distributed.

## **CIRCLE OF SISTERS**

The Bylaws changes made earlier this year has enabled BOD members to serve three, two year terms. The NCRSO BOD Bylaws and Directors Duties can be located at:
