Vice Chair (Outreach, Unity Day, Vol. Coord.)	RCMS	Treasurer, Assistant Treasurer
Admin Assistant		

Please read the written reports before we meet and be prepared with questions and/or comments.

VII. Brainstorming and Dialogue

- A. Removing groups from the schedule- Time and Change: Member– will not change since Admin will do their part and check on group before removing them from the schedule.
- B. Concerned about no area events- Time and Change: Member – Not enough events in Area like other Areas are having. Conclusion: There are several events by different groups in our Area. Suggestion: We form an ad-hoc committee to discuss why people are not of service. What are the benefits of being of service and having a supported group event?
- C. New Year's event-Member not here, move to next month.

- D. Treating trusted servants with respect – Task Leader – not here move to next month.
- E. Rules and regulations for meeting places: asking members to curve their language because of where they are at per say like a church who has asked to speakers not to use profanity. Concern that we are not allowing people to be themselves because they can't be themselves by expression of self. Believes it is a violation of our steps and traditions, Step 11 and Tradition 1, 6, & several others. People should not be interrupted by anyone because they are talking because others disagree what is being said or how it is being said. I suggest they all read the IP called "Disruptive Behavior".

ADMIN REPORTS:

Chair Report

I attended admin on Aug. 15th and everything ran smoothly. The guideline review took place on the 29th and that is in the agenda. Please take that back to your groups to review and we will take a consensus next area. Also, the last page of the agenda is the area inventory questions. Please take those back to your groups and answer them at your business meeting. We will go over them at the October area. Thank you all for being here.

Tamara R.

- **Literature**

Nothing to report.

- **Schedules**

Schedules will be delivered to area.

April

- **Treasurer's Report**

Good evening all. Ronda had a prior engagement this evening and LaRee has graciously agreed to fill in, but she made sure QuickBooks was up to date and the bank reconciliation is current. Our next quarterly audit will be completed at our next Admin meeting on September 19th.

Just a friendly reminder, all money orders need a signature on the purchaser's line. It is not enough to write out the name of your group. Just put group # and ASC or H&I at the bottom. Also where it says pay to the order of it should say " SacFNA" only.

Always grateful to be of service. Your Treasury Team

- **Web Servant**

Hi Everyone,

This month I converted some flyers than posted them to the website.

Just a quick reminder, if you have an upcoming event, please make sure to send us a softcopy.

A pleasure to being in service,

Gabor

What is an NA Group? (*Excerpt from The Group Booklet, Revised, NAWS, 1997*)

When two or more addicts come together to help each other stay clean, they may form a Narcotics Anonymous group. Here are six points based on our traditions which describe an NA group:

1. All members of a group are drug addicts, and all drug addicts are eligible for membership.
2. As a group, they are self-supporting.
3. As a group, their single goal is to help drug addicts recover through application of the Twelve Steps of Narcotics Anonymous.
4. As a group, they have no affiliation outside Narcotics Anonymous.
5. As a group, they express no opinion on outside issues.
6. As a group, their public relations policy is based on attraction rather than promotion.

In stating the six points that differentiate an NA group from other kinds of groups, we place greater emphasis on drug addiction than almost anywhere else in our service literature. This is because Narcotics Anonymous groups cannot be all things to all people and still provide the initial identification drug addicts need to find their way to recovery. By clarifying our groups' sole membership requirement and primary purpose in this way, once and for all, we free ourselves to focus on freedom from the disease of addiction in the bulk of our service literature, certain that our groups are providing adequate grounds for identification to those seeking recovery.

Cordially, Nina P.

Public Relations Report

Welcome back Gilbert C to the phone line coordinator position. I received his report and he is updating all of the things on the phone line and will be calling all of the phone line people to see if their numbers are still the same and if there are slots that need to be filled.

PR will have a table again this year at the recovery happens event at the Capitol Wednesday September 6th which I will talk about later that day at area. We also have a table September 22nd at a neighborhood drug awareness event.

Our PR committee is still working on finding new places to put posters and information about Narcotics Anonymous for the General Public.

We are also working on having a monthly informational event all about Narcotics Anonymous for the general public and newcomers. I will update you as we know more this is just an idea at this point.

If anyone knows of any Wellness fairs being held please let me know so that we can continue to spread the information that Narcotics Anonymous is there for the still suffering addict.

Thank you for letting me be of service.

- **Phoneline Report**

There were 26 calls to the helpline from August 1st to August 28th. All calls were forwarded to a volunteer, there were no abandoned calls reported by the machine. There were 4 messages left on the system in August. Two of the messages were hang ups, the other two messages were left before I started monitoring the machine and it was too late to call them back. The machine also reported 0 missed calls in August. The machine does categorize a call as missed when the caller chooses the option to listen to the recordings rather than have their call transferred to a live person. Therefore the missed calls may be people listening to the meeting recordings.

I have been appointed by the Area Chair to fill the Phoneline position until it is up for election in October. I am planning on seeking that election in October.

I am almost finished with updating the recordings on the machine, they have not been updated since I left the position last year. I should have them uploaded on the machine before the end of the month. I had previously created a binder for this position that I had in a bag along with a laptop I donated to the Area, however that bag was stolen earlier this year. I do not currently have another laptop to donate, but I am almost finished recreating the binder that has all the necessary and needed materials for this position. I am also going over the Volunteer Information and Training Pamphlet to make sure the information is current and correct. I will also be reaching out to all the volunteers to make sure the phone numbers are correct and current. This will also allow me to identify time slots that are in need of additional volunteers. I would also like to thank the Area Chair for allowing me the opportunity to be of service.

Group Conscience:

- 1: Alaska Region outreach requested financial assistance from other Regions to help fund online meetings to outlying areas where villagers don't have abilities to attend regular meetings.
